## CHOMIC COMBAT KARATE

ISSUE NO 4 | APR - 2025 | VOLUME 2

### What is celebrated for the month of April?

April is a month with a variety of observances, including April Fools' Day, World Autism Awareness Day, Earth Day, Sexual Assault Awareness Month, and Earth Month, along with National Garden Month and Stress Awareness Month.

### What are holidays are celebrated in April?

This year, Easter and Passover are the major holidays occurring in April. Ash Wednesday and the beginning of Lent happened in early March, but the conclusion (Easter) is on April 20, 2025. Not to mention Holy Week before that.

### Have You Done Your Karate Homework?

Most students don't think of the dojang as a school. Maybe that's because they have so much fun!

But the fact is it a classroom, with an instructor, and lessons to be learned. The only way to master those lessons is through PRACTICE! Not once or twice a week... but every day! If you practice every day for 10 - 15 minutes you will master the basics of Tang Soo Do.

# Book of the Month

**The Art of War: A Graphic Novel** - Hailed as the oldest philosophical discussion on military strategy, Sun Tzu's *The Art of War* has been adapted as a graphic novel by award-winning illustrator Pete Katz. In this collectible thread-bound edition, the narrative focuses on a teacher instructing a pupil on the main points of Sun Tzu's treatise, with vibrant battle scenes interspersed throughout. Issues such as planning, tactics, maneuvering, and spying are illustrated with full-color scenes, so that readers may gain a greater understanding of principles from the fifth century BC.

Sun Tzu - is thought to have been a military general and adviser to the king of the southern Chinese state of Wu during the sixth century BCE. Although some modern scholars have called his authorship into doubt, the world's most influential and enduring treatise on military strategy, *The Art of War*, bears his name.
